

**Closing The Gap Healthcare Group
is pleased to welcome the
expertise and passion of
Lynne Golding
to their Advisory Board.**

Mississauga, Ontario – February 14th, 2011

Lynne Golding has been practicing law for over 20 years and is currently a partner at Fasken Martineau Law Firm. She is also the National Director of the firm's Health Law Practice group.

Closing The Gap Healthcare Group's Advisory Board consists of highly qualified and respected individuals who together have a vast range of experience; including corporate health law, risk management, insurance, executive leadership, public policy, governance, business management, quality management and the health care industry. The addition of Lynne Golding to this Advisory Board renews the energy and commitment of an already exceptionally talented group. "We are so pleased that Lynne has accepted this challenging appointment. We look forward to achieving our strategic goals with the advice of our advisory board," says Connie Clerici, President and CEO of Closing The Gap Healthcare Group.

About Lynne Golding:

Lynne Golding is a corporate lawyer and provides advice and services to clients regarding contracts and agreements, governance, transaction structuring, financing, regulatory compliance and public policy. Her clients are chiefly but not exclusively in the health industry and include numerous public hospitals as well as clients in the for-profit, not-for profit and charitable sectors. "We look forward to working with Lynne as we continue to change the face of healthcare through innovation while successfully implementing our strategic priorities" says Connie.

Lynne joins the Group's existing Advisory Board members, **Elinor Caplan, Bernard Naumann, Eric Morse, Adam Topp, and John King.**

About Closing the Gap Healthcare Group

Closing The Gap Healthcare Group is an award-winning, Canadian owned organization which is fully accredited by Accreditation Canada. Our staff is second to none, providing professional healthcare services of exceptional quality. From occupational therapists and physiotherapists, to speech-language pathologists, social workers, nurses, dietitians, personal support workers and cleaning professionals, we provide services wherever they are needed...in homes, schools, clinics, hospitals and long-term care facilities. Our goal is to provide the same compassionate care to our clients we would wish for our own families.
